### **Introduction:**

**1. The workshop aims to share:**

- Strategies and consultation methods: Learn about the design of entrepreneurship projects and consultation methods, the case study and importance of entrepreneurship loans and subsidies, and funding options.
- Operation and service management: Learn about innovative tools of the youth entrepreneurship industry.
- Exchange platform: To share about the successful cases and exchange experience with local enterprises.

**2. This workshop includes indoor lectures, field visits and exchange platforms, and aims to assist participants in gaining comprehensive knowledge of Taiwan's strategies and current situation on youth entrepreneurship development, moreover to participate the entrepreneurship activity from "HAOSHI fund" to promote youth entrepreneurship.**

**Agenda:**

- Indoor lectures: Government and private sector experience on implementing youth entrepreneurship projects, loan and subsidy strategies, crowdfunding and innovative tools of the youth entrepreneurship industry.
- Field trips: Visits to successful government and private cases or business.
- Exchange platform: Participants will share the current state of youth entrepreneurship development through forums, and present their accomplishments after having a common understanding on the promotion of youth entrepreneurship through group discussion.
