# National Taipei University of Nursing and Health Sciences

## International Health and Nursing Administration Undergraduate Program

### Scope of Curriculum

1. Students require a minimum of 128 credits to graduate, including 30 credits of general education, 72 credits of courses required for the specialty, and 26 credits of elective courses.
2. Courses include nursing, public health, biostatistics and healthcare. The course of basic capability of general education curriculum aims to improve students' communication, critical thinking, cooperation, and caring skills. Courses required for specialty includes professional foundation courses and professional core courses, which aims to build the foundations of students' professional healthcare, nursing management, and caring skills.
3. Students will earn the "Bachelor of Science" degree from the Health Care Management Department of College of Healthcare Administration and Management after the four-year scholarship program is successfully completed.

### Qualification

Eligibility for application is limited to students who:

1. Do not hold "overseas Chinese" status or have not held a Republic of China passport for at least the past eight years.
2. Have a high-school degree in nursing or an equivalent degree from foreign high schools accredited by the Ministry of Education, ROC (Taiwan).
3. Applicants from countries where English is not the native language, or those who have completed their high-school degree at a non-English speaking academic institution, are required to have evidence of English proficiency equivalent to the TOEFL computer-based test score of 173 (or a paper-based test score of 500) or higher.

### Application

#### Documents Required (all in English):

1. Application form.
2. Diploma and transcript issued by an international institution (these documents must be translated into Chinese or English and be authenticated by the ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office).
3. TaiwanICDF Medical report (including an HIV test).
4. One or more letters of recommendation.
5. Study plan.
6. Evidence of English proficiency (either English proficiency test certificate or an explicit written recommendation by the ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office).
7. Autobiography and other supporting materials.

#### Procedure:

All materials must be forwarded by the ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office to the International Academic Office of the National Taipei University of Nursing and Health Sciences.
