

Appendix V

Cooperation with Nongovernmental Organizations

Small Farmers Financial Scheme	
Belize Marking Board (BMB); Belize Enterprise for Sustainable Technology (BEST)	Fisherman Organizations Near Lago de Yojoa, Honduras
The scheme aims to provide the initial funding to the small farmholders who have difficulty in obtaining commercial financing.	Saltwater tilapia culture, cage aquaculture, artificial breeding of tilapia and necessary loans were provided.
Guava Production Association in Costa Rica	Omar Torrijos Cooperative in Nicaragua
The association provides land, while the ICDF provides necessary funds to build a guava juice processing plant. The ICDF technical mission in Costa Rica also provides assistance in purchasing raw materials, processing and marketing.	The ICDF technical mission and Omar Torrijos Cooperative jointly manage the rice production project and provide necessary funding.
Grenada Industrial Development Corporation (GIDC)	Seven Fishermen Cooperatives in Panama
The ICDF provides funding, while the GIDC is in charge of subloan disbursement, collection, and overall financial management.	A small fishermen's fund enabled the purchase of boats and equipment.
Microcredit Financing	
National Development Foundation of Dominica (NDFD)	National Development Foundation of St. Vincent and the Grenadines (NDFSVG)
The ICDF provides funds and NDFD is responsible for channeling the loan proceeds in EC dollars to finance activities in the private sector.	The ICDF provides funds and NDFSVG is responsible for channeling the loan proceeds in EC dollars to finance activities in the private sector.
National Development Foundation of Grenada (NDFG)	Microfinance Bank of Georgia's (MBG), A German Consulting Company (IPC)
The ICDF has provided US\$200,000 to the NDFG to promote development of the private sector and strengthen credit delivery, hereby raising incomes and generating employment while reducing poverty.	The ICDF provides a US\$3 million senior loan to the MBG through its Taipei-EBRD Financial Intermediary Investment Special Fund (FIISF), and MBG will re-lend the fund to micro and small enterprises in Georgia. IPC will provide administrative consulting services to MBG.
Foundation for National Development (St. Christopher and Nevis)	Micro-Credit National (MCN, Haiti), IPC
The ICDF provides funds and FND is responsible for channeling the loan proceeds in EC dollars to finance activities in the private sector.	The MCN was established some funds are provided by the ICDF to provide financial services to micro enterprises in Haiti. The IPC will manage the MCN's operations.

Technical Assistance	
Superior Hog Breeding Extension Project (Nicaragua)	German Technical Mission (GTZ, Nicaragua)
Cooperating with FIDER to improve agricultural output and hog breeding practices.	GTZ will provide funding and the ICDF technical mission will provide technical assistance in helping build hog breeding enclosures. The overall program helps to alleviate poverty in the farming community.
SME Relending	
Village Unit Cooperative (KUD) in Indonesia	Credit Union League, Solomon Islands
To improve the saving capacity so that accumulation of capital at the village level can be achieved.	Provides indirect lending to SMEs.
Humanitarian Assistance	
Solidarite et Developpement au Cambodge (SODECO)	Tibetan Refugee Self-Help Center
Helping Cambodian farmers to improve their diet and living standards	Using a bus to provide health examination services for refugees and children throughout Tibetan refugee villages.
Taiwan Roots Medical Peace Corps
